ENVIRONMENTAL MANAGEMENT

Description:

Specially formulated product for the effortlessly hot cleaning of all types of griddles. Does not release vapours.

Key Properties:

INTERMEDIATE Cleaning, in less than 1 minute, either for hard chrome as for steel. Allows continuing working without cooling the griddle for its cleaning. No splash. Odourless. Removes easily the most embedded and burnt grease.

Use Instructions:

Turn off the griddle and switch on the extractor fan. Remove biggest rests of grease. Without cooling, apply the product onto hot griddle (+150 °C) and spread with a spatula. Wait for 30 seconds. Rinse with plenty of water, remove rests. Make sure that there are no rests of the product on the griddle. In case of doubt, rinse thoroughly. Wipe out with a wet and clean cloth.

Technical Data:
