Description:

Deep cleaning of bathroom fittings, glazed tiles, faucets and all type of washable surfaces in bathrooms. Its special formulation confers a disinfecting and anti-lime scale effect, removing easily soap and rust stains. Pleasantly scented.

Key Properties:

1. Lift the lever lock of dosing dispenser.
2. Place the bottle in the ThomilMagic SMP dispenser and lower the lever lock.
3. Press the dilution button for CUBES or the dilution button for BOTTLES, as necessary, until the container is filled. The exact dilution between the concentrated product and water is carried out automatically thanks to the pre-calibrated meting tips incorporated inside the plastic bottle.
4. Close the container with the trigger and shake smoothly.
5. Pulverize the product directly on the surface to be cleaned a distance of about 25 cm.
6. Let act for few minutes.
7. Clean the surface with a sponge.
8. Rinse with water.
